Welcome to The New Academic Year

How wonderful it is to see everyone again. Thank you to you all for your understanding as we start to adapt to our new way of working at school. It has been a learning curve every day for all of us. All the parents I have spoken to have been very supportive. If you have any feedback or suggestions, please do not hesitate to let me know.

JUST A FEW REMINDERS

Bicycles/Scooters

Ideally these should not be on the school site during this time. If your child must ride to school, they must wear a cycle helmet and leave their bicycle/scooter on school site at their own risk.

Water bottles

Please ensure your child comes to school with a water bottle as the water fountains are not currently in use, to help prevent the spread of the virus.

PE Kits

On the days that your child has to wear their PE kit to school please would you ensure that this still adheres to the school uniform policy.

The policy is available to view on the school website.

Walk Home Permission

Children in Year 5 and 6 may walk home from school once we receive written signed permission from their parent.

We will not let children leave the school premises without this signed permission.

School Meals Price

Please note the price of a school meal is now £2.15 per day.

Hands to listen to Jesus

A Prayer for Pupils

Dear Jesus, here I am
back at school,
not only ready to learn
new subjects but to grow
in my love for You.
Open my eyes, my ears and
my heart to listen and learn
from my teachers
as they share the words
of Your Gospel and the
teachings of the Church.
Help me be the best person
I can be, reaching out
to others as You did and giving
good example to all I meet.
Let me receive Your blessing
now and throughout
this school year
Amen

Kind regards
